

Murray River Organics™

Product Specification: Australian Sultanas

Product Description

Our 100% Australian Sultanas are one of the oldest grape varieties grown in Australia. Our sultanas are a Thompson seedless grape that has a soft texture and sweet taste. The perfect snack, addition to your baking or simply an extra source of fibre on your morning cereal!

Source

Our product is solely sourced from Australian vineyards in the Sunraysia region where Murray River Organics operations are located. Sunraysia is an area known for its dry heat and close proximity to the Darling and Murray Rivers.

GMO Statement

Our product is not genetically modified, nor does it contain any genetically modified material.

Irradiation Statement

Murray River Organics products have not been, are being, or will ever be subjected to irradiation

Certifications
